Mofeed Shahadeh

Frontend Developer | UI/UX Enthusiast | JavaScript Lover

Phone: 0594866148

Email: mofeednemer4@gamil.com

Expected Graduation: 2026

About Me

Motivated and detail-oriented computer science student with a passion for creating clean, responsive, and user-friendly websites. Strong understanding of modern frontend technologies, with hands-on experience in HTML, CSS, JavaScript, and UI/UX best practices. Looking to apply my knowledge and grow through real-world development projects.

Skills

• HTML5, CSS3, JavaScript

• Responsive Design, Flexbox & Grid

• Git & GitHub, Figma, VS Code

• Basic familiarity with React

Education

B.Sc. in Computer Science

Islamic University of Gaza — 2022–2025

Projects

• Portfolio Website – A personal portfolio website showcasing skills and projects.

• Task Manager App – Simple JavaScript-based task manager with local storage.

• Weather App – Real-time weather forecast using external API.
